

SUNDAY MORNING HEALTH CORNER

AIDS Awareness Month

We encourage every congregation to proactively work to eliminate the stigma associated with HIV and AIDS. Here are some of the ways the faith community can assist:

- **Promote “Know your Status”** – Getting tested and Providing HIV testing
- **Share HIV/AIDS** Prevention and Treatment Information
- **Pray, Love, Support and Help** Reduce the Stigma

Remember, the National Week of Prayer for the Healing of AIDS is March 1-8, 2020
